

Overview:

Whitechurch UBU Community Youth Project offers a range of after school Youth Work groups for young people aged 10-18 and supports for those aged 18-24 who are out of work, education or training

The project is provided by Foróige. Our purpose is to develop and implement youth work interventions that place the young person at the centre and is implemented in their community.

Whitechurch UBU provides a safe space in the community where the changing needs and interests of young people can be met and where they can learn, develop and be challenged to reach their full potential.
