

Overview:

Glanmire UBU Project is provided by Foróige, supporting individual YP with mental health, school attendance, family issues, relations, decision making etc. so they reach their maximum potential in all areas of life.

We work with young people aged 10 to 24 years in our dedicated youth space located centrally in Glanmire. The project delivers Foróige manualised programmes e.g. Putting the Pieces Together etc., The music group encourages young people to become involved in creative methods of self-expression.

The project also plans to support YP to upskill themselves with photography and film making, Tech space initiative which works with YP re developing data skills, robotics etc, The cookery programme supported by a local cafe will continue and the NFTE programme to teach business skills.
