

Overview:

Tallaght Youth Service UBU offers a broad range of Youth Work programmes, interventions and supports for young people aged 10-18 in Tallaght.

These programmes operate in communities across Tallaght after school, in the evenings and at weekends

We also offer supports for those aged 18-24 who are out of work, education or training

Tallaght UBU is provided by Foróige. Our purpose is to develop and implement youth work interventions that place the young person at the centre and is implemented in their community.

We aim to provide safe spaces across Tallaght where the changing needs and interests of young people can be met, where young people can be themselves, learn, develop and be challenged to reach their full potential
