

Overview:

Bru Youth Service is a community based youth project for young people aged 10-24 from Crumlin and Walkinstown.

We are open Mondays to Saturdays and we offer activities and programmes that are young person focused. The building is purpose built and includes a group room, recreation room, art room, music studio and band rehearsal space, meditation and chill out room, sports hall and an I.T room.

We offer a variety of programmes and if you want to learn more, you can visit our website or contact us.

We also support a number of local voluntary groups who use the centre for their work with young people, if you want to use the centre, contact us for more information.
