

## Overview:

Children's Group Link is a leading youth service offering wide ranging, diverse & inclusive programmes, activities, supports & advocacy for young people in Waterford City from ages 10-24yrs.

We are committed to promoting & facilitating the full participation of young people in programmes, activities & events in which they freely partake. We have created a positive, safe, welcoming & supportive environment where young people can express themselves & have a real say at all levels within the organisation.

Our team provide the necessary supports to empower young people to help them transition on their life journey. Group Link promotes & encourages inclusiveness & diversity & our state of the art premises facilitates multiple programmes & activities. UBU Your Place Your Space.
