

## Overview:

The UBU Roscommon Youth Service 2 provides support to young people in Monksland and a flexible service to young people living in rural County Roscommon, on a needs basis.

The service, managed by Roscommon LEADER Partnership, supports young people between the ages of 10 and 24 years. It works with young people with disabilities, Travellers, young people who are socially isolated, and those not in employment, education or training.

Roscommon Youth Service 2 provides a non-formal education service addressing inequality and promoting inclusion, supporting young people to overcome adverse circumstances and achieve their full potential.
