

Overview:

Sphere 17 provides a high-quality youth service to young people between the ages of 10 – 24 years, in the regions of Dublin 17 and Dublin 5.

Operating from four youth centres, we provide many different services to young people based on their needs, issues and interests.

The services include drop-ins, (interest and issue-based) group work programmes, individual support, outreach (including detached youth work), residential activities, outings and summer projects, events, a Youth Justice Project and a counselling service.
