

## Overview:

Cherry Orchard Integrated Youth Service is a local youth service based in Cherry Orchard Equine Centre. We work with young people aged between 10 -24 years, living in Cherry Orchard, who are most at risk.

Programmes for those at risk of leaving school early include, a stay in school programme and a college support programme. Other activities we offer are needs -led which are both gender specific and mixed.

We also offer equine based activities including horse riding and stable management, individual one to one support, family support, outreach, opportunities to volunteer and peer education. Our programmes run during Easter, Summer and Halloween.

Our events are both residential and community based.
