

Overview:

Good Shepherd Cork - Support & Advocacy service supports clients who are or have experienced homelessness as they make the transition to independent living. We offer an outreach service to young girls and children in the community.

We work from a client centred approach, building on the strengths of young people while being flexible and attentive to their needs. We provide a range of practical and emotional supports, including individual and group work, training courses and social activities.

UBU provides a dedicated outreach worker to support up to 30 young people in the community. The outreach worker works with young people on a one to one basis, as well as providing links to small groups such as a Drop-In Youth Club, DVD Nights and WRAP training is also available.
