

## Overview:

Finals Day is the culmination of the IHSL season with teams representing Dublin, Cork, Galway, Waterford, Limerick, Portlaoise, Longford, Mullingar, Belfast & Derry.

It is a one-day competition featuring group matches & knockout tournament play. It brings together our street league family into a yearly celebration of the work they do.

There is an awards ceremony at the end where politicians, sponsors and well-known sports people present prizes to the victorious teams, players of the tournament and players of the year.

Not only is the day a celebration of the work we do and a thank you to the players for their commitment to the leagues it is also where the IHSL coaches pick a squad of players for the next Homeless World Cup, a yearly global football tournament.
