

## Overview:

Dundalk Youth Centre provides a youth led professional youth service for young people 11-18 years in Dundalk and surrounding areas.

Through targeted services, co-designed developmental programmes and access to a safe environment young people feel safe to engage, participate and develop their communication skills, Confidence and Agency, Planning and Problem Solving, Relationships, Creativity and Imagination and Resilience and Determination.

Our specific targets are young people at risk of engagement in Antisocial Behaviour and Crime, at risk of Substance Misuse and those at risk due to Mental Health Issues.
