

Overview:

PYP is an independent community managed youth project, which supports the personal, social and analytical development of children and young people aged 10-24yrs.

Innovative programmes and activities address the needs, issues and concerns of both the young people and the community.

Weekly programmes and activities offer a wide variety of opportunities e.g. creative arts; outdoor pursuits; HEAL - healthy eating & active living; and mindfulness & wellbeing for different age groups - 10-12yrs; 13+; 15-19yrs as well as young mothers up to 24yrs.

PYP's youth centre, with its entrance on Galluan Road, also has a Drop-in and Hub space (pool, gaming, computers) which all age groups avail of. Poppintree Youth Project is a great place to meet up with friends and make some new ones.
