

Overview:

CTDG's Targeted Youth Programmes are led by youth and Traveller community development principles under which we provide educational and developmental supports to young Travellers. The following are the targeted programmes.

- 1 Afternoon Homework Clubs for primary school children
- 2 Evening Youth Groups – participatory led by the young people looking and exploring their needs and developing programmes that meet the needs.
- 3 Summer Project out of school providing Travellers with two weeks of summer programmes.
- 4 Substance Misuse Awareness Evening Programmes – these will be covering a specific awareness of intervention programmes.
- 5 Copper Art Mornings – CTDG young people themselves design as a positive interaction and positive ways to express themselves
- 6 One to One Support-Outreach focus is to engage young people and their parents.
- 7 Educational Supports with Schools/Colleges & Ongoing Family Supports –Traveller Culture awareness and supports and liaising with new schools.
- 8 Interagency - Working collectively to address the on-going needs of young Travellers and their families, one's own identity and where Travellers are recognised as an ethnic minority within Irish society. This is done through Traveller leadership and empowerment.
