

Overview:

FamiliBase is a centre for children, young people and families based in Dublin 10. FamiliBase has three strands of service delivery i.e. Early Years Care and Education, Child and Family Supports and Youth and Community Supports.

Programme delivery in FamiliBase occurs at a range of different levels i.e. from universal level to intensive wrap around practice for those with multiple or more complex needs. FamiliBase could be described as a 'one stop shop'.

This means as a young person you can access a range of Youth Work Activities, Youth Groups, Arts Groups, Family Support, One to One Support and Counselling all under one roof.
