

Overview:

Athlone Youth Project provides needs based Youth Work activities and programmes to young people from targeted areas in Athlone. It is a community based youth project focused on creating a non-formal learning space for young people that is safe and accessible to the target groups.

Outcomes of youth work carried out include enhancing young people's communication skills, resilience and determination, emotional intelligence, planning and problem solving, creativity and Imagination and confidence and agency.

There is a strong focus on youth participation in decision making, learning, the relationship between the youth worker and the young person and equality throughout the youth work process whilst always striving to create a fun environment with a real sense of leadership and ownership by the young people.
