

Overview:

The Farronshoneen Community Youth Project works with young people aged 10-24 years living in Farran Park, St. Catherine's Grange, Kilcarragh, Williamstown Road and adjoining communities.

The project is part of WSTCYS and affiliated to Youth Work Ireland. The project is dedicated to including young people and local adults in the development of safe, affordable and worthwhile Youth Work programmes.

In partnership with local volunteers the project runs core developmental youth work groups, peer support programmes, one to one work, after school support and a late night drop in on Friday nights. There is a wide range of groups and programmes on offer based on needs and interests of young people involved.
