

Overview:

Foróige Beara UBU welcomes young people aged 10 to 24 years to a dedicated youth space in Castletownbere, Co.Cork.

Our Project is youth centred, friendly and community based.

Young people availing of our service can:

- participate in a wide range of quality programmes and fun activities these include community murals, film making, art, drama, dance.
- young people can participate in personal and social development programmes
- we provide opportunities for young people to grow in confidence, build resilience and to become active citizens and take on responsibility in their local community.
