

Overview

We work with young people in North Kerry through a needs based, youth-led approach to promote the positive development of young people, their families and their community. Our vision is for all young people in Kerry to be valued and supported to achieve their full potential as members of the community, and to have their voices heard. Our youth cafe situated on Church Rd. is inclusive of all young people and we work hard to meet our members where they are at and to build sound relationships with them. Our integrated youth work model means that members of our UBU service have access to a range of opportunities and supports, both on a group and one to one basis. We also operate in different communities within North Kerry, meaning our service is as accessible as possible.
