

Overview:

The Ferrybank Youth Development Project is provided by Foróige. Our purpose is to develop and implement youth work interventions that place the young person at the centre and is implemented in their community.

We work with 10-24 year olds in the Ferrybank area. We're based in the centre of the community in the Ferrybank Parish Centre, Ross Road Ferrybank. We provide young people with a safe space in their community to take part in a range of direct youth work activities.

Our project is youth led and our young people are involved at all levels. Activities range from a Drop In Youth café to our own Youth Participation Structure.

There is something for everyone.
