

Overview:

The Ballinfoyle Youth Development Project is based at 50 Baile an Choiste and is provided by Foróige. Our purpose is to develop and implement youth work interventions that place the young person at the centre and is implemented in their community.

Foróige's overarching aim is to enable young people to involve themselves consciously and actively in their own development and in the development of society.

The Project is aimed at young people aged 10-24, with a particular focus on young people from diverse ethnic backgrounds, at risk of anti-social behaviour, in need of support with mild mental health difficulties, at risk of early school leaving and young people experiencing economic and social disadvantage.
