We work with Traveller Young People in Carlow town. Through a needs based youth led approach, we will offer youth work programmes and opportunities to support and promote the social and personal development of young people in Carlow.

Our vision is "we work to empower young people to achieve their potential through quality youth work"

The Vault Youth Centre in Carlow town and is safe, open and inclusive of young people. We work hard to meet young people where they are at, and to build relationships of trust, friendship and equality. We value young people and youth work. Our integrated youth work model means that members of our UBU Service have access to a wide range of opportunities and supports, both on an individual and group work basis.
