

Overview:

WAYS, (Wexford Area Youth Supports), offers welcoming and respectful youth spaces to Young People aged 11-25 at FDYS Bridgetown, Cois Barry House, Rosslare and FDYS Francis Street, Wexford.

While committed to the principles of youth work practice, all supports are delivered in a fun and collaborative way so that young people, and their needs, are at the heart of everything that the project aims to achieve.

These youth programmes are delivered by three experienced and qualified youth workers and include thematic work such as self-esteem, music programmes, young women's project, mental health, sexual health, resilience and relationship building (e.g. making friends and life skills!).

Opening times are responsive to the needs of young people and include evening drop-ins and Saturdays 12-3pm.
