

Overview:

We are a community based, Volunteer led Youth Service.

We serve the Edenmore, Grange Woodbine, Millwood & Millbrook areas specifically but we have no barriers when a Young Person needs our service.

We provide a wide range of services including Advocacy, Mental Health Supports, supports to remain in and thrive in education, education and intervention with Young People experiencing drug and alcohol misuse issues, supports to Young People who have been involved in criminality etc, supports to Young People experiencing isolation, Sexual health information and support for Young People and Parents, Social Media safety and awareness and supports for Young People and families experiencing homelessness.
