

## Overview:

The GYTP is a partnership project led by Limerick Youth Service with Garryowen CDP. LYS, a member of Youth Work Ireland, provides youth work supports to young people 10-24 across Limerick city & county.

Our mission is 'Connecting with young people and supporting them to reach their full potential'.

Our values place young people at the centre of all that we do. Our work supports the development of communication skills, confidence, creativity and healthy relationships.

Our approach is developmental & holistic with a focus on fun & voluntary participation. We offer one-one supports, small & large group work, tailored programmes, detached youth work, drop in service supports & large scale events & community celebrations.
