

Overview:

An Síol Child and Youth Services believe that all children deserve equality in education and the opportunity to reach their full potential irrespective of their social or cultural background.

An Síol Child and Youth Service provides support for young people in the Dublin 7 area.

We run after school clubs that provide a safe and welcoming space for young people to do their homework and take part in activities that build confidence in fun ways including day trips during school holidays.

We also run a study buddy program in the evenings for young people in need of one on one mentoring with school work.
