

Overview:

Clondalkin Youth Service (CYS) is a regional youth service of Crosscare. Clondalkin Youth Service is located on the south side of Clondalkin and operates from five locations. A team of Youth Workers run a variety of youth groups and programmes in Bawnogue, Clondalkin Village, Deansrath, Knockmitten and Sruleen.

Our youth service is primarily for young people aged 10-24 years of age in the catchment area. Our vision is for the young people we work with to have the opportunity to fulfil their potential. Young people are respected and can participate in a real and meaningful way. We provide a safe space where young people can explore a range of issues. We provide young people with enriching experiences based on their interests and strengths that promotes their wellbeing.

Clondalkin Youth Service
