

## Overview:

Roscommon Youth Service, is a Foroige and Roscommon Leader Partnership operated youth service. We aim to support young people aged 10 - 24 years who may be experiencing challenges or adversity in their lives to help them reach their full potential.

We provide a range of services for young people including:

- One to one support
- Advocacy
- Group work
- Drop-in support
- Outreach
- Residential
- Support of young volunteers

Roscommon youth service is a youth centred service that works with each individual young person on topics that they want support with, where appropriate.

As part of the youth service we work on an ethos of voluntary participation, where each individual is respected and valued.
