

Overview:

The Children and Young People's Service is the main provider of youth service to the Traveller community in the greater Dublin area.

Exchange House Children and Young People's Service enables young Travellers to participate in youth work activities thus enhancing their personal and community development skills, enabling them to take greater control of their lives.

Exchange House Children and Young People Service aims to ensure that as many young Travellers as possible are able to participate in youth activities.

We run programmes that create opportunities for the young people we work with, challenging them to take responsibility, use their talents and increase their chances to stay in the education system.
