

## Overview:

Cobh Youth Service Ltd is a charitable organisation managed by a Board of Directors and dedicated to providing a high quality service to children and young people, aged 10-24, to empower them to reach their full potential.

We operate drop-in services as well as working with referrals. Within the service we provide various supports (alcohol & drug awareness, mental wellbeing, tackling risky behaviours etc).

We provide one-to-one supports as well as mixed groups where the young people attend and engage in many activities, learning new skills; this includes a Youth Cafe that is open five nights a week and helps to build social and interpersonal skills.

The Cafe is inclusive to all young people, from all backgrounds, from 1st year onwards.
