

Overview:

Tyrrelstown RFYS is provided by Foróige. The purpose is to develop and implement youth work interventions that place the young person at the centre and is implemented in their own community.

The Service is community based, working with young people aged 10-24 through staff-led youth groups and individual work.

A critical feature of the work is that young people are voluntarily engaged and is based on their needs and interests. Programmes, activities and manualised programmes such as mentoring, the Foróige NFTE Entrepreneurship programme, Foróige Youth Citizenship and Youth Leadership programmes are provided after school, late evening, weekends, and during school holidays.

Service provision includes group work, individual work and outreach.
