

Overview:

The aim of the project is to provide a quality programme where young people and parents have the opportunity to get a holiday away from their everyday environment in a marginalised area of Limerick City. They get the opportunity to participate in new and exciting activities, network with other people and develop their own independence. The Programme is for young people aged 10+ and parents from the Southside of Limerick City.

This involves a Partnership with parents and past pupils who volunteer their time to help with the facilitation of the programme.

The Programme has strong links with a wide range of statutory and community organisations including Our Lady of Lourdes Parish, Probation Service, Limerick Youth Service, National Schools, Secondary Schools, and Adult Education services.
