

Overview:

LYS's City Suburbs Youth Project, offers youth work supports to young people 10-24 years in the suburbs of Limerick Metropolitan District. LYS's mission is 'Connecting with young people & supporting them to reach their full potential'.

LYS's values place young people at the centre of all that we do. We aim to enhance confidence, communication, planning & problem solving skills. Programmes & activities prioritise empathy & resilience & the development of healthy relationships.

Our youth work is developmental & holistic with a focus on fun & voluntary participation. We offer one-one supports, small & large group work, bespoke & tailored programmes, detached youth work, drop in service supports & large scale celebratory events & community celebrations.
