

## Overview:

In Kilkenny the UBU Your Space Your Place is provided by Ossory Youth.

Ossory Youth is a local youth service supporting young people to connect, experience, learn and grow. We do this by encouraging young people to tell us their story. "By telling their story young people invite us to connect with them in a real and honest way. This is just the beginning for the young person within the service what happens next is their journey, their next chapter.

Young people find our youth workers to be really good listeners, kind, empathic and definitely non-judgemental. For further information on what we do and who to contact, look at our website by googling 'Ossory Youth'.

Gateway UBU operates in Kilkenny City and caters for young people with a wide range of needs and interests.
