

Overview:

DDLETB Youth and Sports Development Service provides a wide range of supports that enable the delivery and co-ordination of high quality educational, sporting, recreational and developmental programmes, projects and services to disadvantaged young people.

DDLETB is the largest ETB in the country in terms of population. Currently 16% of all 0-24 year olds in the country live in the area. Our operational values in providing our services are Equality, Collaboration, Innovation, Professionalism and Integrity.

This is done in partnership with local communities, voluntary groups and voluntary youth organisations such as Crosscare and Foróige.
