

Overview:

We work with young people in Dundalk North West & mid Louth through a rights-based, youth-led approach to foster learning, innovation, hope and high expectations in young people, their families and their community.

Our vision is of a world full of possibilities for all young people. Our youth Project is friendly, open and inclusive of young people and we work hard to meet our members where they are at, and to build relationships of trust, friendship and equality. We value our young people and youthwork.

Our integrated youth work model means that members of our UBU have access to a range of opportunities and supports, both in a group and one to one basis.
