

Overview:

The drug prevention & education programme in Dun Laoghaire Community Training Centre (DLCTC) provides educational and prevention inputs that will work to help educate young people attending DLCTC and help them choose life strategies which will enable them to live a fulfil and healthy life (mentally, physically & emotionally) and to address their relationship with substance misuse where needed.

The programme itself is embedded in the values of the DLCTC which are respect, compassion, care and empathy and will adopt the values of the UBU Your Place Your Space guidance framework, policies & principles.
