### Overview

Clare Youth Service - Killaloe MD UBU is a project designed in partnership with young people. The project has a particular presence in Killaloe, Scarriff and Tulla but works throughout the Killaloe Municipal District. The project is open to young people living in rural areas and/or those in need of additional support.

The project provides improved access to safe, judgement free spaces where young people can meet with peers and obtain supports leading to greater opportunities for developing positive relationships, new skills and connections in their community. The programme involves:

- Youth Voice and advocacy
- One-to-One support
- Safe spaces
- Issue based programmes for example Drug/Alcohol Awareness, Sexual Health,
- Activity based groups: Cooking, Art, Music, Maker Space
- Youth leadership programmes and training
- Support and advocacy re employment, education and training.
