

Overview:

Cloyne Diocesan Youth Services (CDYS) Mitchelstown Youth Project work with young people aged between 10 - 24 years.

Allowing young people to access out of school supports in their local communities to enable them to achieve their full potential by strengthening their personal and social development outcomes.

CDYS respects the dignity of young people regardless of social, economic, or religious background. CDYS works to empower young people by providing a forum, through which they can be heard.
