

## Overview:

The Northside Traveller Support CLG (T/A TravAct) is functioning since 1988 with support from both the Traveller and the Settled Communities. It includes 6 projects funded by the HSE, CDYSB (DCYA), CDYSB (Department of Health), The Justice Department, the DSP and the Darndale-Belcamp Initiative through the JI Scheme.

Considering the quality of services being delivered by TravAct, CDYSB & DCYA in conjunction with Pavee Point transitioned their Youth Project to TravAct in 2016 for carrying out more Traveller focussed Youth Work amongst the critical North Dublin Community of young Travellers.

TravAct is closely associated with Pavee Point and is a member of Irish Traveller Movement, National Traveller Partnership, Wheel, NALA & Community Work Ireland.
